

Princeville *Presbyterian*

FEBRUARY 2020

Greetings, all!

Well it has officially been one year since the family and I arrived here in Princeville. We came on a cold blistery day in January of last year, as a matter fact it was January 21st. I actually had been visiting Princeville since October 2018 to meet with the search committee. We came in mid-November of that same year to candidate as your next pastor, and in that meeting you voted me up, and we moved back a couple months later to be with you all. It has been an awesome year, a lot of growth and learning for me spiritually. I have to say, my first being a pastor has been truly good, and you all have played a large part in that. I'm thankful for your acceptance of me, and the love and warm reception that you have given to my family and my ministry.

I cannot say that this year was not fraught with adversity. My wife has struggled greatly since we have been here with her health, but we do think we are on the right track now. I am praying that she has long and lasting victories this year.

Shiloh in Judah have really begun to settle in. Shiloh is finishing up her first year of preschool and making progress. Judah is learning to be a good little brother. They both love and enjoy being at the church and around the kids. We truly do love Princeville and this church; we love being here. It is a great place to raise a family and do ministry. I'm looking forward to all the Lord has in store for the year to come.

Thank you all so much for the grace and love that you have shown to me over the last year. I am your servant. The Lord be with you!

Session Recap:

All the elders were present in our last meeting, except for Tater. We discussed a new Sunday school class that we will be starting for the youth on March 1. We are excited to be taking up this ministry once again. Also, we talked about implementing a new method of discipleship this year. More to come on that soon.

As always, these meetings are open to all. Our next meeting is February 11. God's blessing!

W.O.W Happenings

We are starting our Tuesday night study up again after some time off through the holidays. The book we are studying is entitled "Twelve Extra - Ordinary Women" by John MacArthur. Through this study we will learn about twelve women in the Bible and how God shaped them and how He wants to shape you. It is never too late to join us or just pop in anytime, we would LOVE to have you!

Weather permitting, we will have our regular monthly brunch on February 22nd and the home of Michael Webber. Please remember the brunches are open to every lady in the church, not just those who attend the Tuesday night study. So, if you are not able to join us on Tuesday nights but are able to come on Saturday mornings, please don't hesitate to come!! Can't wait to see all you ladies there!
